General Instructions:

1. The examination will be conducted in three slots – Slot 1- October, Slot 2 - November, Slot 3- December. Each student is entitled to get three attempts to take the examination. Parents are not required to select an examination date during the registration process. The examination date will be scheduled automatically under Slot 1. If a student misses the first allotted slot, another slot will be assigned automatically.
2. Students can take the examination from home using any suitable device equipped with a camera.
3. Parents are requested to provide a personal email ID and mobile number during registration to receive future updates and communication.
4. Registration payment can be completed through the provided registration link.
5. Parents and students are requested to ensure that the examination is attempted as per the allotted schedule. NOF will not be responsible or liable if a student does not attempt the examination or is unable to complete it.

The school is only facilitating the NOF examinations and will not be responsible for the conduct of the examination or the collection of registration fees. Participation is entirely optional. Parents are requested to carefully read and understand the Terms and Conditions before registering their ward for the examination. We encourage all interested students to make use of this opportunity to enhance their subject knowledge, develop critical thinking.
