

BPS/EC/2026-'27/45
15 September 2026

BIRLA PUBLIC SCHOOL, DOHA, QATAR
CIRCULAR FOR GRADES XI – XII (CS, IP, AI)

Dear Parent,

Subject: **Qatar Collegiate Programming Contest (QCPC) - 2026**

The Department of Computer Science, Birla Public School is excited to announce its participation in the Qatar Collegiate Programming Contest (QCPC) -2026 organized by Carnegie Mellon University - Qatar. ICPC (International Collegiate Programming Contest) is one of the most prestigious programming competitions in the world. Teams compete for a place in the World Finals by solving algorithmic challenges and programming their solutions. The competition is organized in three levels: national, regional, and world finals. Qatar will host its national competition in October for teams to qualify for the Africa and Arab regional level competition.

The details of the Competition are as follows:

Dates: 9th and 10th October 2026

Location: Carnegie Mellon University - Education City

Eligibility: Students of Grades XI - XII (CS, IP, AI)

Those students who are very good in Programming in Python, C, C++, Java and interested in participating in the contest are requested to form a team of **TWO** members and register their names using the google form link given below on or before **20 September 2026**.

<https://forms.gle/iV8Ly1NmGFxLHFy58>

Selection trials will be conducted on **Saturday, 26 September 2026** to assess programming ability, critical thinking, and problem-solving skills based on Python, C, C++, Java. Only the selected teams will be registered officially by the school.

Venue and timings of the selection trials will be informed to the participants via email.

Note: Students will have to make their own transport arrangements to and from the venue on the competition days.

Dr. Anand R. Nair
Principal
