<u>Title:</u> Special assembly - International Games Week		
Organised by: Grade 2 M &N		
<u>Objectives :</u> To convey the importance and value of Games and Sports in one's life. To encourage children to engage themselves in any kind of Sports and Games of their choice.		
<u>Summary:</u> The assembly was conducted on 6.11.2019. Students of Grade 2 participated enthusiastically. Today's assembly focused on the importance of games in a child's life. A skit with a song was performed by the students conveying the benefits of engaging oneself in Sports and Games. It was to help children understand that Games and Sports not only helps to develop the overall personality of a human, but also teaches them to be patient and develops the feeling of oneness and team spirit. It also conveyed the health hazards of eating junk food and using modern gadgets to play games.		
<u>Evidence</u> (Pictures, Videos, Feedback Form, Testimonial): Pictures and videos attached.		
		
<u>Feedback:</u> Shruti Ma'am along with all other teachers appreciated the theme as it was apt for the present events going on i.e Sports Day practices of different events. Parents whole heartedly encouraged children to participate for the same.
